

ABOUT IOWA 21CCLC

21st Century Community Learning Centers

About The **PROGRAM MODEL**

21st Century Community Learning Centers is a U.S. Department of Education program, administered by the states, that supports out-of-school-time learning opportunities for students in high-poverty, low-performing areas. The Iowa Department of Education administers 21CCLC funding in Iowa through grant competitions. 21CCLC programs focus on **academic support** (helping students meet state and local standards in core academic subjects), **academic enrichment** (providing activities that complement learning from the school day), and **parental engagement** (offering literacy and other educational services to the families of participating students).
